Sue Farran, James Gallen, Christa Rautenbach : The Diffusion of Law: The Movement of Laws and Norms Around the World (Juris Diversitas) before purchasing it in order to gage whether or not it would be worth my

time, and all praised *The Diffusion of Law: The Movement of Laws and Norms Around the World (Juris Diversitas)*:

In considering diffusion from a global perspective, this book provides timely new insights into its application in a variety of fields and at many levels of both legal and non-legal orderings. This collection contributes to the wider theoretical debate concerning the movement of law and legal norms by engaging with concrete examples of legal diffusion, in jurisdictions as diverse as Albania, the Czech Republic, Poland and Kuwait. These examples, taken together, provide a comprehensive illustration of the theoretical debates concerning the diffusion of laws and norms in terms of both process and form. This international, multi-disciplinary and multi-methodological volume brings together scholars from law and social science with experience in mixed and hybrid jurisdictions, and advances the conversation about legal and normative diffusion across the academy. It represents a robust challenge to many preconceived ideas about legal movement and, as such, will be of interest to academics and students working in the fields of Law, Sociology, Anthropology, Political Science, Legal Education and comparative method.
