The book is sized small, so all pages have to be reformatted and resized and THEN copied! I could have used a book I already have for that! I wanted a book of forms I could simply pull and copy! Hence the reason to buy a book on REAL ESTATE FORMS!!! also, they are not even spaced on different pages!!! Many are overlapped and will need to be retyped and then formatted, and THEN copied! This book was a waste of money, and a tremendous waste of time!!! I wish I could give it NO STARS!!!

In this book, you will find more than 250 essential forms, agreements, and contracts for buying and selling real estate, running your business, and managing property and tenants. Designed for new and veteran agents, property managers, and brokers alike, this book is your survival kit for the real estate industry. It will show you how to overcome common issues you might face with buyers, sellers, and tenants to ensure maximum profitability. The companion CD-ROM is included with the print version of this book; however is not available for download with the electronic version.
