Wilhelm G. Grewe : The Epochs of International Law before purchasing it in order to gage whether or not it would be worth my time, and all praised The Epochs of International Law:

7 of 8 people found the following review helpful. Must have book for anyone who deals in international law. By Paul Weberbauer Grewe's Epoch of International law is one of the best books that i ever read. His methodology of making a parallel between historic reality and theory makes this book unique. He doesn't jump, like many other books, from theory to theory, he builds a historical line where the theories are inserted, and this is AWESOME, since you are traveling throught history like reading a fantasy book. Three word only: must have book.

Wilhelm G. Grewe's "Epochen der Völkerverrechtsgeschichte", published in 1984, is widely regarded as one of the classic twentieth century works of international law. This revised translation by Michael Byers of Duke University, Durham, North Carolina, makes this important book available to non-German readers for the first time. "The Epochs of International Law" provides a theoretical overview and detailed analysis of the history of international law from the Middle Ages, to the Age of Discovery and the Thirty Years War, from Napoleon Bonaparte to the Treaty of Versailles, the Cold War and the Age of the Single Superpower, and does so in a way that reflects Grewe's own experience as one of Germany's leading diplomats and professors of international law. A new chapter, written by Wilhelm G. Grewe and Michael Byers, updates the book to October 1998, making the revised translation of interest to German international lawyers, international relations scholars and historians as well. Wilhelm G. Grewe was one of Germany's leading diplomats, serving as West German ambassador to Washington, Tokyo and NATO, and was a member of the International Court of Arbitration in The Hague. Subsequently professor of International Law at the University of Freiburg, he remains one of Germany's most famous academic lawyers. Wilhelm G. Grewe died in January 2000. Professor Dr. Michael Byers, Duke University, School of Law, Durham, North Carolina, formerly a Fellow of Jesus College, Oxford, and a visiting Fellow of the Max-Planck-Institute for Comparative Public Law and International Law, Heidelberg.

About the AuthorThe author was one of Germany's leading diplomats, serving as West German ambassador to Washington, Tokyo and NATO, and was a member of the International Court of Arbitration in The Hague. Subsequently professor of International Law at the University of Freiburg, he remains one of Germany's most famous academic lawyers. Dr. Michael Byers is a Fellow of Jesus College, Oxford, and a visiting Fellow of the Max-Planck-Institute for Comparative Public Law and International Law, Heidelberg.
