Lisa Guerin J.D., Amy DelPo Attorney : The Essential Guide to Federal Employment Laws before purchasing it in order to gage whether or not it would be worth my time, and all praised The Essential Guide to Federal Employment Laws:

5 of 5 people found the following review helpful. Excellent Reference Tool for Employment Law BasicsBy Beth M.I purchased this book in preparation for the PHR exam because I felt I had limited knowledge about employment law. I used the book in an atypical fashion and read it the entire way through, so I did notice some repeat and redundant information in reading it cover to cover. However, it is still a great reference guide for those HR professionals who want a go-to manual on the basics of the major laws governing employment in the U.S. The authors divide the book into clearly defined sections, with a lot of white space, so it is very easy to find the various requirements and exceptions to the laws. What I found most useful were the various websites they listed in each chapter where you can go to find more detailed information on the law and where to find the posters if needed for the law. The authors don't

pretend to be the one and only source for employment law due to its complex nature, but they do point you in the direction of additional information. I would recommend this book as a quick reference tool for employment law basics. 0 of 0 people found the following review helpful. Exceptional Reference
By examiner This is an exceptional reference book. I purchased it for my niece, who was working on her MBA. I had already handled a number of federal employment cases over the years. This book certainly wouldn't replace legal research for anyone in the field of law. But it does a commendable job for non-attorneys - even, perhaps, for those in the field of law, who have no knowledge of employment law. I hope that the text will be updated. 3 of 3 people found the following review helpful. Great Quick Reference
By Christina Davis I am learning employment law by reading the actual laws from the federal register. It's a lot of information and having a great interpretive resource makes it easier.

Co-published with the Society for Human Resource Management. The Essential Guide to Federal Employment Laws explains the 20 most important federal laws dealing with employment issues - a must-have book for any human resources professional, manager or entrepreneur. Written in plain English, the book's topics include: Which business must comply with each law Where to find the text of each law Which federal agency enforces each law What each law allows and prohibits Practical tips to remain within the scope of the law Resources for further research and information Find the information you need about these major laws in plain English: Americans with Disabilities Act Age Discrimination in Employment Act Equal Pay Act Family and Medical Leave Act Pregnancy Discrimination Act And much more Stay ahead of the game and protect your company and yourself -- get The Essential Guide to Federal Employment Laws today! The 3rd edition has been completely updated to reflect the latest laws and U.S. Supreme Court decisions, includes a new chapter on The Genetic Information Nondiscrimination Act (GINA), and contains major updates on the Americans with Disabilities Act (ADA) and the Family Medical Leave Act (FMLA).

"Nolo is a pioneer in both consumer and self-help books and software" -- Los Angeles Times
About the Author Guerin, an editor/author specializing in employment law, is author or co-author of several Nolo books, including The Manager's Legal Handbook, Dealing with Problem Employees, Nolo's Essential Guide to Federal Employment Laws, Workplace Investigations, Create Your Own Employee Handbook, and Nolo's Guide to California Law. Guerin has practiced employment law in government, public interest, and private practice where she represented clients at all levels of state and federal courts and in agency proceedings. She is a graduate of Boalt Hall School of Law at the University of California at Berkeley. Ms. DelPo is an author and consulting editor who specializes in employment and family law issues. She brings years of criminal and civil law experience to her work at Nolo, having litigated cases in all levels of state and federal courts, including the California Supreme Court and the United States Supreme Court. She has written numerous employment law titles, including The Performance Appraisal Handbook, Dealing with Problem Employees, and Create Your Own Employee Handbook. She is also the editor of Parent Savvy, a book that answers parents' practical, financial, and legal questions. Ms. DelPo currently divides her time between writing on legal issues and chasing after her two busy children, Sophia and Charlie. Ms. DelPo received her law degree with honors from the University of North Carolina at Chapel Hill.
