**Philip Alston : The EU and Human Rights** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The EU and Human Rights:

For all its achievements in integrating Europe, the EU lacks a human rights policy which is coherent, balanced and professionally administered. This volume provides an insightful critique of current policies and detailed

recommendations for the future by leading experts in the field including individuals from every EU country.

"This weighty volume deals with a large subject and does so excellently." - Matthew Happold, *International and Comparative Law Quarterly* Vol 49 July 2000

About the Author Philip Alston is the Professor of International Law at the European University Institute in Florence. He is currently the Global Visiting Law Professor, Law School, New York University. Previous appointments have included: Australian National University (Professor of Law); Harvard Law School; the Fletcher School of Law and Diplomacy at Tufts University; and the University of Michigan Law School. From 1978 to 1984 Philip Alston was an official of the UN Centre for Human Rights in Geneva. He has been Chairman of the UN Committee on Economic, Social and Cultural Rights, 1991-98; was Rapporteur from 1987 to 1990; and has been Chairman for the Australian Capital Territory.
