before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Fall of the House of Zeus: The Rise and Ruin of America's Most Powerful Trial Lawyer [Hardcover]:

2 of 2 people found the following review helpful. Excellent book. Too bad the Sharks decided to eat ...By CustomerExcellent book. Too bad the Sharks decided to eat each other. As bold and brazen as Mr. Scruggs was he did not deserve to be "set-up" by peers who wanted to "take him down a notch". Black robe syndrome at its finest...0 of 0 people found the following review helpful. Loved itBy chicalI was absolutely captivated by this book, couldn't put it down. True story that reads like a novel1 of 1 people found the following review helpful. A TRUE STORY OF THE FALL OF AN EMPIREBy John JubinvilleHaving lived and worked alongside the principal characters of Curtis Wilkies novel it waslike going to an old time family reunion. Curtis has written an outstanding descriptionof how greed can be blinding and all encompassing."The Fall of the House of Zeus" takes one completely through the rise of power all the way to theashes of an empire. In the final chapters one experiences the desperation and overwhelming sense offailure. As the prison doors close the feelings of despair and loneliness sweeps over the readeras they think back from the beginning, the thrill of riding the wave of success and then the abjectsadness of accepting total and complete loss. The lives that have been ruined, famlies split apartand friendships destroyed.This reader can think of no better way to spend some free time than by reading this honest andcomplete novel, Curtis Wilkie has given us a prize

winning peice of work.
