**Gabriel Soll, Garry Grossman : The Government Contracts Forms Book, 2012-2013 ed.** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Government Contracts Forms Book, 2012-2013 ed.:

The Government Contracts Forms Book and CD-ROM provide government contractors, contract administrators, and legal practitioners with examples of numerous forms used in the world of government contracts legal practice. Organized by transaction in the order a user would move through the process, each form is accompanied by background information, discussion, and drafting tips. The text covers: Freedom of Information Act requests; Bid and award proces; Bid protests; Appeals; Proposals; Subcontracting issues and Terminations.
