**Rich Locaparra : The Governor's Hometown: Corruption and Dirty Politics in Peekskill, New York** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Governor's Hometown: Corruption and Dirty Politics in Peekskill, New York:

0 of 0 people found the following review helpful. A True story that had to be told. By Frank L. This is a true story that needed to be told. This book is written by the person who lived through a nightmare that no one should have to. You

will really understand what it is like to be caught up in a system that shows no mercy to people who are trying to make an honest living at something no one wants to do in a city where corruption and greed ran rampant. I strongly recommend this read.0 of 0 people found the following review helpful. **HARD TO BELIEVE THIS HAPPENED IN AMERICA!**By IdgaraA compelling book that speaks to the incredible corruption that exists in today's political system. How this can still take place in America is beyond belief!! If you've ever been bullied, threatened, or forced into situation beyond your control, this book will touch you like no other. It will make you wonder "what if this happened to me?" Kudos to Locaparra for telling it like it is.0 of 0 people found the following review helpful. Great read, riveting story.By CustomerRiveting story, albeit frustrating that mr Locaparra could get screwed over by every person he encountered. It was literally him against the world. His lawyers should be ashamed of themselves. Very good read for an amateur writer. I read the book in one sitting. It really proves the point you can't fight city hall. I'm just happy Richard got out of their alive and with his sanity.

Can an honest businessman survive when the fix is in? In this fascinating true story, Rich Locaparra describes what it's like when a third-generation entrepreneur tries to fight against systemic corruption. When the rules change, people can get hurt. In moveis and fiction books, people rise above impossible odds on the hero's journey. But real life is different. How would you react when the democratic process breaks down, threatening your livelihood and your family? In the Governor's Hometown, Rich Locaparra describes what can happen to anyone when corruption becomes the rule in business and in politics.
