(author) Eric J. Evans : The Great Reform Act of 1832 (Material Cultures) (Paperback) - Common before purchasing it in order to gage whether or not it would be worth my time, and all praised The Great Reform Act of 1832 (Material Cultures) (Paperback) - Common:

1 of 1 people found the following review helpful. Good introduction.By Phyllis A. KarrThis isn't really the sort of book one "loves" or "hates." One buys it for a research tool; and, as such, it seems pithy and useful, though more as a pointer for what someone first venturing into the field (like me) should watch for in more extensive treatments.

An account of the crucial political and economic issues behind the 1832 Reform Act. This book highlights the travails of Toryism at the end of the 1820s, clarifies complex questions of policy, shows the connections between the Reform Act of 1832 and the Second Reform Act, and updates statistics.
