Frederick Martin : The History of Lloyd's and of Marine Insurance in Great Britain before purchasing it in order to gage whether or not it would be worth my time, and all praised The History of Lloyd's and of Marine Insurance in Great Britain:

0 of 0 people found the following review helpful. History and Business CombinedBy MichaelFascinating read about LLoyd's and the development of marine insurance. A lot of the issues faced in the 1700's are still pertinent today. This book was published in 1876, but you would not know it.

Martin, Frederick. *The History of Lloyd's and of Marine Insurance in Great Britain. With an Appendix Containing Statistics Relating to Marine Insurance.* London: MacMillan and Co., 1876. xx, 416 pp. Reprinted 2004 by The Lawbook Exchange, Ltd. Hardcover. New. * Martin [1830-1883], the editor of the *Statesman's Year-Book*, examines the development of marine insurance in what was then the world's leading maritime power. He shows, moreover, that the system developed under the leadership of Lloyd's helped Great Britain to achieve this position. Martin emphasizes the influence of commercial, international and admiralty law in the evolution of marine insurance and argues that they helped the industry to mature into an effective system that is emulated throughout the world.
