From Routledge : The Housing Status of Black Americans before purchasing it in order to gage whether or not it would be worth my time, and all praised The Housing Status of Black Americans:

In comprehensive overviews and case studies covering seven metropolitan areas, this volume provides an examination of prevailing housing conditions and their effect on special populations within the black community, and assesses

judicial and legislative means of improving the status of both homeowne

"These authors have well summarized the history of civil rights legislation and federal housing subsidy programs." W. Paul Strassman, *Journal of Economic Issues* "A welcome addition to the literature. . . . [W]ould be very useful for upper level undergraduate classes in urban studies or black studies." Joe T. Darden, *Urban Studies* About the Author James B. Stewart is professor emeritus of labor studies and employment relations at Pennsylvania State University and former Colonel Shirley J. Bach Professor at Defense Equal Opportunity Management Institute, Patrick Air Force Base, Florida.
