before purchasing it in order to gauge whether or not it would be worth my time, and all praised *The Impact of Recent Changes in Government Contracts: Leading Lawyers on Understanding the Effects of the Stimulus Program, Addressing Compliance ... the Latest Regulations (Inside the Minds)*:

The Impact of Recent Changes in Government Contracts provides an authoritative, insider's perspective on the government's evolving contracting policies during the current economic climate. Featuring partners from some of the nation's leading law firms, these experts guide the reader through the intricacies of mandatory disclosure requirements, bid protests, E-Verify, DCAA audit initiatives, and the legal issues behind contract management. From the Buy American Act to the expansion of the False Claims Act by FERA, these authors discuss controversial new legislation and strategies for preparing clients for these changes. These top lawyers analyze the effects of the federal stimulus package, including changes to the bidding system, updates to reporting requirements, tactics for avoiding the latest potential contract conflicts, and strategies for capturing new funding. Additionally, these leaders share their advice for protecting existing contract business, handling contractor compliance matters, and advocating for a client's best interests while taking the government's perspective into consideration. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these experienced lawyers offer up their thoughts around the keys to success within this ever-evolving field. *Inside the Minds* provides readers with proven business intelligence from C-Level executives and lawyers (Chairman, CEO, CFO, CMO, Partner) from the world's most respected companies and firms nationwide. Each chapter is comparable to an essay/thought leadership piece and is a future-oriented look at where an industry, profession, or topic is heading and the most important issues for the future.
