**F. Knowles : The Indian Law Legacy of Thurgood Marshall (Palgrave Pivot)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Indian Law Legacy of Thurgood Marshall (Palgrave Pivot):

The book tracks the development of Justice Thurgood Marshall's rationale and reason regarding Indian law. Drawing from Marshall's career preceding his appointment to the Supreme Court, it is anticipated that Marshall's views on Indian law would be consistent with his previous role as a champion of the disenfranchised in America.
