USGCRS Organization : The Insider for US Immigration before purchasing it in order to gage whether or not it would be worth my time, and all praised The Insider for US Immigration:

0 of 0 people found the following review helpful. no information on Diversity VisasBy No information on Diveraity VisasThere are some good info in the book, yet it is very disappointing that there are no mention or further information in this book on Diversity Visas.

The Insider for US Immigration book contains all relevant information in respect to the immigration process as a whole, including the different types of immigrant visas, and needed criteria one must fulfill. The book provides you with clear instructions for filling out your immigrant application, and by using this book; you will be able to fully understand the related laws and regulations. The aim of this book, drawn from a variety of expert sources, is to provide you with as much valuable information as possible to increase the odds that your Visa application will not be denied, we also explain how eligibility for a Visa is determined, what the next step will be regarding applications, how they should be prepared and submitted; what questions will be asked in your interview process; what additional information

is required with each application and what common mistakes result in the denial of such applications.
