Steven P. Olson : The International Atomic Energy Agency (The Library of Weapons of Mass Destruction)
before purchasing it in order to gauge whether or not it would be worth my time, and all praised The International Atomic Energy Agency (The Library of Weapons of Mass Destruction):

The September 11, 2001 terror attacks on the World Trade Center and the Pentagon have stoked fears of and rekindled interest in weapons of mass destruction. Using dramatic images and vivid text, the twelve volumes in
