**Benedetto Conforti] : The Law and Practice of the United Nations: Fifth Revised Edition (Legal Aspects of International Organizations)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Law and Practice of the United Nations: Fifth Revised Edition (Legal Aspects of International

Organizations):

The Law and Practice of the United Nations examines the law of the United Nations through an analysis of the Organization's practice from its inception until the present, in particular to the transformations the UN has undergone since the end of the Cold War. Special consideration is given to Chapter VII of the UN Charter and its interpretation, the United Nations' membership and organs' competences, along with the peaceful settlement of disputes, and coercive action for the maintenance of international peace and security. In addition, this important new edition explores such areas as general and smart sanctions, peacekeeping, authorizations of the Security Council, territorial administrations, self-determination, human rights, financing of the Organization, acts adoptable by the UN organs, and a review of their legality. Offering a fully revised and updated analysis of the main legal issues surrounding the United Nations' practice, The Law and Practice of the United Nations will be of interest to all those involved with legal issues surrounding the United Nations, the analysis of said issues, and their impacts on international practice

About the Author Benedetto Conforti<sup>+</sup> was Professor Emeritus of International Law, former Judge at the European Court of Human Rights, and Member of the Institut de Droit International. Carlo Focarelli is Professor of International Law at the University of Perugia and Chair of International Law at the LUISS University of Rome.
