Mitchell L. Yell : The Law and Special Education (3rd Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Law and Special Education (3rd Edition):

0 of 0 people found the following review helpful. The book is pretty thorough thought it can be a little dry if ...By Herci RodasThe book is pretty thorough thought it can be a little dry if you don't have a background in law.Still, super helpful and does an excellent job breaking down case law related to Sp.Ed. I ended up doing a rental instead of buying the actual book because new editions always come out.0 of 0 people found the following review helpful. very easy to readBy CustomerIf you're a new teacher trying to get Special Education certification, definitely by this book. It is now your bible. It will help you so much, very easy to read. Very well written.1 of 1 people found the following review helpful. Great bookBy pajamaI bought this of my graduate course and I can tell it will be worth my while to keep this book as reference after completion, and becoming a sped teacher.

In the highly litigated area of Special Education, it is imperative that professionals in the field understand the legal

requirements of providing a free appropriate public education to students with disabilities. This indispensable textbook prepares the reader with the essential skills to locate pertinent information in law libraries, on the Internet, and other sources to keep abreast of the constant changes and developments in the field. Now in the third edition, the entire textbook has been thoroughly updated and revised with the latest information on the statutes, regulations, policy guidance, and cases on special education law, as well as the most current information on: the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act and the Elementary and Secondary Education Act, The Family Educational Rights and Privacy Act (FERPA), and the Health Insurance Portability and Accountability Act (HIPAA). Long-recognized as one of the top special education law books in the field, *The Law and Special Education, Third Edition*, presents the most important and necessary information for educators to understand the history and development of special education laws and the requirements of these laws in the field of special education.

From the Back Cover Sound, practical help for keeping on top of the issues involved in the highly litigated area of special education With this indispensable resource as a guide, teachers and educational administrators see how to ensure a free, appropriate public education for students with disabilities. In *The Law and Special Education*, they learn the legal history of special education, get information about legal developments in special education that have occurred in the courts and in the federal government, gain access to current legal information to keep abreast of developments in this rapidly changing field, and ensure that they are armed with the information they need to develop legally correct and educationally appropriate special education programs. Written in a highly accessible, practitioner-oriented style and bolstered with an associated website and blog, the book guides administrators and educators in developing legally sound and educationally appropriate special education programming. Invigorate learning with the Enhanced Pearson eText This access code card provides access to the new Enhanced Pearson eText, a rich, interactive learning environment designed to improve student mastery of content with the following multimedia features: Embedded videos.
