Jess J. Araujo : The Law and Your Legal Rights/A Ley y Sus Derechos Legales: A Bilingual Guide to Everyday Legal Issues/Un Manual Bilingue Para Asuntos Legales Cotidianos before purchasing it in order to gage whether or not it would be worth my time, and all praised The Law and Your Legal Rights/A Ley y Sus Derechos Legales: A

## Bilingual Guide to Everyday Legal Issues/Un Manual Bilingue Para Asuntos Legales Cotidianos:

0 of 0 people found the following review helpful. I recommend this book because is very helpful and it written ...By Australia PolancoI recommend this book because is very helpful and it written in plain english no complicated lawyer terminology. I ensure this book has the necessary knowledge for legal issues .0 of 0 people found the following review helpful. Three StarsBy Frank GonzalesThe translation quality on this bilingual reference book is pretty lame.13 of 14 people found the following review helpful. The Law and Your Legal Rights/La Ley y Sus Derechos LegalesBy A CustomerThe Law and Your Legal Rights should be part of every Hispanic family's personal library. The book provides an easy to understand guide to the rights and responsibilities of all U.S. residents. Its explanation of the U.S. court systems is clear and concise, as well as its narrative of immigration and labor laws. The book's ability to "speak" in two languages--English and Spanish-- is one of its best features since it will help immigrants to obtain a basic understanding of their obligations and rights. Jess Araujo, Esq., has provided the Spanish speaking American with a valuable tool. The book should be read by all American students in middle school and/or high school.

Presenting vital information, clearly, and in nontechnical language, in Spanish and in English, this essential family reference is for anyone-citizen, new arrival, naturalized citizen, English- or Spanish-speaking-who wants to understand the basics of the American legal system National print ads author publicity. 3-city author tour.

.com American legalese can be hard enough to decipher if English is your primary tongue, but try wading through the statutes and stipulations when you grew up speaking Spanish. The Law and Your Legal Rights is an excellent guide on a wide range of legal issues, presenting complex legalities in easily understandable English in one half of the book, and in lucid Spanish in the other half. Araujo explores the U.S. court system and small claims court, contracts and consumer law, government benefit programs and employee rights, plus bankruptcy, and tenant law. He delves into criminal law and personal injury, immigration laws, motor vehicles, and the complex field of family law. Within this one reference volume you can find information on divorce, plea bargaining, retaliatory eviction, and sexual harassment, living trusts, jury duty, lemon laws, and the right to die. Even when the laws differ by state and Araujo's text is just the start of a long research process, his definitions and explanations provide a clear and reassuring introduction, in Spanish and English, to whatever legal aggravation is interfering with your tranquillity. --Stephanie GoldLanguage NotesText: English, SpanishAbout the AuthorAraujo is a member of the bar in Texas, Washinbgton California
