**Pamela Tepper : The Law of Contracts and the Uniform Commercial Code** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Law of Contracts and the Uniform Commercial Code:

0 of 0 people found the following review helpful. Five Stars By Realdeepsquare This book is very good 1 of 1 people found the following review helpful. Love it! By Genny This book is laid out so nicely. It makes contracts really easy to understand and learn. The second edition is MUCH better than the first. The companion website is wonderful. Totally 5 stars all the way! 0 of 0 people found the following review helpful. Five Stars By Frank F Blacksher Great deal and very fast shipping.

THE LAW OF CONTRACTS AND THE UNIFORM COMMERCIAL CODE, 3e, covers all the important features of common law contracts, as well as Article 2 of the Uniform Commercial Code in a practical, understandable, and realistic manner. Real cases demonstrate how the concepts in each chapter are applied, and the fact pattern is used throughout the chapter to demonstrate how contracts and their concepts affect our daily lives, often with unusual results. Using a fluid and interesting writing style, the author reduces contract law to its basic components and provides examples that build on other examples. Chapter summaries, review questions, exercises, a running glossary, and--new to this edition--learning objectives help your students to fully grasp this complex area of the law.

"I really like this text! I used the First Edition for years and was thrilled when the Second Edition came out. Students are able to grasp the material easily. The material is organized in a logical manner which makes lecturing a pleasure. Students tend to "get" the material which allows us to move to the next level of inquiry in the course." Approach: The approach of this text is superior to competitors. The author relates to students by admitting the challenges associated with contract law; she has chosen cases and "side notes" that not only pertain to the chapter and topic, but also entertain and intrigue the legal student's mind; the comics demonstrate her understanding of a student and their constant state of reading and researching. Organization: The organization is superior to others because the contract basics are covered completely in the first 11 chapters. I appreciate this because the essential information is covered immediately and clearly. Chapters 12-19 can be added throughout the essential chapters or utilized after completing the first 11 chapters. This is appealing as an instructor because it gives me the freedom to tailor my course as necessary. Other texts that have lengthy chapters covering more material than my course dictates require me to omit mid-chapter, which can be confusing to students. Readability: The wording is conversational and kind. Examples and exhibits are relatable and even humorous and lighthearted at times. This makes it easy and enjoyable for students to read." About the Author Pamela R. Tepper is presently an Assistant Attorney General with the Virgin Islands Department of Justice, Solicitor General Division, in St. Thomas, Virgin Islands focusing on appeals, contracts, and healthcare issues. She formerly was the Deputy Solicitor General of that Department managing the section's contracts, appeals, and special projects. From 2000 to 2008, Ms. Tepper was the Vice President of Legal Affairs and General Counsel at the Governor Juan F. Luis Hospital and Medical Center, St. Croix, Virgin Islands. For over 20 years, Ms. Tepper has taught in a number of paralegal programs including the Southeastern Paralegal Institute and Southern Methodist University programs in Dallas, Texas, The University of Texas, Arlington campus, and the University of the Virgin Islands. Along with this textbook, Ms. Tepper is the author of THE LAW OF CONTRACTS AND THE UNIFORM COMMERCIAL CODE, THIRD EDITION; BASIC LEGAL WRITING FOR PARALEGALS, SECOND EDITION; LEGAL RESEARCH AND WRITING; and TEXAS LEGAL RESEARCH. Ms. Tepper graduated from Hamilton College with a B.A and earned her J.D. at New England Law in Boston, Massachusetts. She is licensed to practice law in Texas and the Virgin Islands.
