Elizabeth Warren, Jay Lawrence Westbrook, Katherine Porter, John Pottow : The Law of Debtors and Creditors: Text, Cases, and Problems (Aspen Casebook) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Law of Debtors and Creditors: Text, Cases, and Problems (Aspen Casebook):

0 of 0 people found the following review helpful. Three StarsBy C.Good and straightforward book0 of 0 people found the following review helpful. ... it all but up until now the book is easy to read (w/ some humor in every page)By

Jay Haven't read it all but up until now the book is easy to read (w/ some humor in every page), and the material is divided in digestible sections. I'm not a fan of casebooks but this is fine. 0 of 0 people found the following review helpful. Five Stars By Greg Dronsejko Wonderful, spectacular book.

When you purchase a new version of this casebook from the LIFT Program, you receive 1-year FREE digital access to the corresponding Examples Explanations in your course area. Now available in an interactive study center, Examples Explanations offer hypothetical questions complemented by detailed explanations that allow you to test your knowledge of the topics covered in class. Starting July 1, 2017, if your new casebook purchase does not come with an access code on the inside cover of the book, please contact Wolters Kluwer customer service. The email address and phone number for customer service are on the copyright page, found within the first few pages, of your casebook. One of the leading casebooks in the field, *The Law of Debtors and Creditors* features forty problem sets with realistic questions a lawyer considers in confronting the statutory provisions for a bankruptcy case. Explanatory text throughout makes bankruptcy law accessible to students and easier to teach. The material is organized functionally as a bankruptcy case would unfold making the presentation logical and sensible. By separating consumer bankruptcy from business bankruptcy, professors can select the depth of coverage for each course. An excellent Teachers Manual is particularly helpful to newer professors. The Seventh Edition produces expanded coverage of business bankruptcy topics such as corporate governance in bankruptcy and bankruptcy sales. Discussion of over a half-dozen recent Supreme Court cases on bankruptcy includes *Stern v. Marshall*. Adjustments to teaching approach to means test and other 2005 amendment topics reflect existing law and practice and help students learn. Features: forty problem sets featuring the realistic questions a lawyer considers in confronting the statutory provisions for a bankruptcy case explanatory text makes bankruptcy law accessible to students and easier to teach organized functionally, as a bankruptcy case would unfold logical and sensible separates consumer bankruptcy from business bankruptcy provides greater clarity permits professors to select depth of coverage an excellent Teachers Manual, particularly helpful to newer professors Thoroughly updated, the revised Seventh Edition presents: expanded coverage of business bankruptcy topics corporate governance in bankruptcy bankruptcy sales discussion of recent Supreme Court cases on bankruptcy, including *Stern v. Marshall* adjustments to teaching approach to means test and other 2005 amendment topics to reflect existing law and practice
