**William A. Kaplin, Barbara A. Lee : The Law of Higher Education, 2 Volume Set** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Law of Higher Education, 2 Volume Set:

0 of 0 people found the following review helpful. Indispensable for my work as Assistance Vice President for Student Affairs. Previously I had the 4th edition and used that during my tenure as the Dean of Students. The 5th edition carries on the same tradition of excellence.0 of 1 people found the following review helpful. An indispensable reference book for scholars working in the area of higher education lawBy William R. FosseyThis is an excellent reference book for anyone writing in the area of higher education law or anyone working as a senior college administrator. People who teach courses in higher

education law should also look at the authors' student edition, a shorter compendium of the law and very useful as a teaching text.

Book by Kaplin, William A., Lee, Barbara A.
