Christopher Henley, Simon Kemp : The Law of Insurance Broking before purchasing it in order to gage whether or not it would be worth my time, and all praised The Law of Insurance Broking:

The only book dedicated exclusively to the law affecting insurance brokers and their relationship with clients, agents, and third parties. This leading resource has been comprehensively updated to reflect the regulatory and legislative

changes to the industry. It offers practical legal solutions to the day-to-day problems encountered by brokers, as well as clarifying the key principles and terms of insurance contracts.
