**Margaret Jasper : The Law of No-Fault Insurance (Legal Almanac Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Law of No-Fault Insurance (Legal Almanac Series):

This almanac sets forth a discussion of motor vehicle no-fault insurance law with a focus on the history and development of the no-fault system and recent trends. The appendix provides sample documents, applicable statutes

and other pertinent information and data. A glossary is included. The Legal Almanac series serves to educate the general public on a variety of legal issues pertinent to everyday life and to keep readers informed of their rights and remedies under the law. Each volume in the series presents an explanation of a specific legal issue in simple, clearly written text, making the Almanac a concise and perfect desktop reference tool. All volumes provide state-by-state coverage. Selected state statutes are included, as are important case law and legislation, charts and tables for comparison.
