**Joseph Kinnicut Angell : The Law of Watercourses, Vol. 2** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Law of Watercourses, Vol. 2:

Traces the fascinating early responses of the law to the complex and controversial issues inherent in the subject.

From the Publisher This famous legal history traces the rise of the right to property in and use of a watercourse, i.e., bad banks, and running water, as well as incidental rights. The subject and legal responses to its problems are no less important today than when the book was originally written. The fascinating cases give great insight into the complex and controversial issues that arise. This treatise should be of great interest to all lawyers and environmentalists, as well as those who are curious in knowing how the law develops in response to a significant practical problem.

About the Author Joseph Kinnicut Angell was born in Providence, Rhode Island on April 30, 1794. He graduated from Brown University in 1813 and was admitted to bar 3 years later. From 1829 to 1831, he was editor of the *Law Intelligence* and . As reporter to the Rhode Island Supreme Court, he prepared the first published reports of that state. He wrote or co-wrote several books including *Treatise on the Right of Property in Tide Waters*, and *Treatise on the Common Law in Relation Water-Courses*. He died in Boston on May 1, 1857. Other Beard Books by Joseph K. Angell: *A Treatise on the Right of Property in Tide Waters: And in the Soil and Shores Thereof to Which is Added an Appendix, Containing the Principal Adjudge*
