Dawn Bennett-Alexander, Linda Harrison : The Legal, Ethical, and Regulatory Environment of Business in a Diverse Society before purchasing it in order to gage whether or not it would be worth my time, and all praised The Legal, Ethical, and Regulatory Environment of Business in a Diverse Society:

0 of 0 people found the following review helpful. Loved this textbookBy Arielle A. HeathLoved this textbook. The material was very clear, examples were great and kept you interested in the chapter. Vocabulary was easy to understand with the way the book explained everything. I also used McG Connect and that helped a lot too. I got an A in the class with this textbook so I'm very pleased.0 of 0 people found the following review helpful. ... well before the expected due date and in the best of shapeBy Saalih K. MuzakkirThis book was received well before the expected due date and in the best of shape. It is like a brand new book and I am very happy with this purchase, thank you!0 of 0 people found the following review helpful. Just as promisedBy studentlearnerBook was just as advertised. The registration code for the online course did not work but that was not the fault of the seller.

This is the first legal environment text to take diversity implications into consideration as a normal and necessary part of business decisions. It offers a view of the legal environment of business from the broader perspective of not only the law and its theory, but also how it works in practice taking into consideration the factors of ethics and diversity. The goal of this text is to equip students for the legal, ethical, and diversity implications of the business world they will move into, so that their decisions do not result in surprising, expensive, protracted, and embarrassing litigation that could have easily been avoided.

About the Author Dawn D. Bennett - Alexander is a tenured associate professor of Employment Law and Legal Studies at the University of Georgia's Terry College of Business and an attorney admitted to practice in DC and six federal jurisdictions.
