Christine Green : The Little Book of Loony Laws before purchasing it in order to gage whether or not it would be worth my time, and all praised The Little Book of Loony Laws:

A collection of the looniest laws from the most unexpected countries. Revealing over 250 laws and rules, some current, some ancient, this book covers kissing on trains in France, wiggling while dancing in California and very odd Lithuanian laws concerning women drivers.

About the AuthorChristine Green is a feature writer for many UK newspapers and women's magazines. She has three grown up children and lives in Tyne and Wear.
