Erik M. Redix : The Murder of Joe White: Ojibwe Leadership and Colonialism in Wisconsin (American Indian Studies) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Murder of Joe White: Ojibwe Leadership and Colonialism in Wisconsin (American Indian Studies):

1 of 1 people found the following review helpful. Five StarsBy Anon.Excellent investigation on a complex and little known historical incident.0 of 0 people found the following review helpful. History of WI ... excellent read and resourceBy Heather AndersenRecommended by a relative of Joe White to me during a conference making it a 'special' recommendation". The book is a great history of WI, very near where I live and grew up. This history is generally lost to most non Indigenous people of the area but it is our history as well. Well worth the read especially if you are interested in ALL history of WI.

In 1894 Wisconsin game wardens Horace Martin and Josiah Hicks were dispatched to arrest Joe White, an Ojibwe ogimaa (chief), for hunting deer out of season and off-reservation. Martin and Hicks found White and made an effort to arrest him. When White showed reluctance to go with the wardens, they started beating him; he attempted to flee, and the wardens shot him in the back, fatally wounding him. Both Martin and Hicks were charged with manslaughter in local county court, and they were tried by an all-white jury. A gripping historical study, *The Murder of Joe White* contextualizes this event within decades of struggle of Whites community at Rice Lake to resist removal to the Lac Courte Oreilles Reservation, created in 1854 at the Treaty of La Pointe. While many studies portray American colonialism as defined by federal policy, *The Murder of Joe White* seeks a much broader understanding of colonialism, including the complex role of state and local governments as well as corporations. All of these facets of American colonialism shaped the events that led to the death of Joe White and the struggle of the Ojibwe to resist removal to the reservation.

A poignant tale of sacrifice, betrayal, and redemption, *The Murder of Joe White* challenges us all to reexamine Americas treatment of native people and our role in shaping the environment and human landscape in years to come. Anton Treuer, author of *Everything You Wanted to Know About Indians But Were Afraid to Ask* and *The Assassination of Hole in the Day*
