Joan Nassivera : The New York Times Guide for Immigrants to New York City: in English, Spanish Chinese before purchasing it in order to gage whether or not it would be worth my time, and all praised The New York Times

Guide for Immigrants to New York City: in English, Spanish Chinese:

Introducing a vital resource to help with the sometimes bewildering experience of settling in America's biggest city: The New York Times Guide for Immigrants in New York City. Filled with insights and advice from experts as well as inspirational stories from earlier immigrants, it answers common questions about health care, housing, employment and education, providing helpful referrals to the city's leading immigration support groups. Produced in collaboration with the Lower East Side Tenement Museum, The New York Times Guide for Immigrants in New York City has advice for English, Spanish and Chinese-speaking people, all in one street-savvy, user-friendly volume.

"It's designed for immigrants but The New York Times Guide for Immigrants to New York City is a rich source of information even for the native, born and bred. This is a book I would place in every school in the city, perhaps on every desk in every school. It is a lesson in civics, practical and precise. The wonder is that such a book took so long in coming. I wish someone had placed something like this in my hands when I first landed in New York."--Frank McCourt, author of *Angela's Ashes*
