**From Springer : The Oceans: Key Issues in Marine Affairs (GeoJournal Library)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Oceans: Key Issues in Marine Affairs (GeoJournal Library):

The oceans provide a great challenge for the development and management of planet earth by humankind. This book covers new approaches to the development of the law of the sea, the division of the oceans among states, and new

thinking on institutions in depth.
