**Editor-in-chief: Ardi Imseis : The Palestine Yearbook of International Law, Volume 16 (2010)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Palestine Yearbook of International Law, Volume 16 (2010):

Under the editorship of Ardi Imseis, volume 16 of the Palestine Yearbook of International Law is devoted to examining the United Nations Fact Finding Mission on the Gaza Conflict, headed by Judge Richard Goldstone. The

YEARBOOK examines the Goldstone Report and its consequences by bringing together the work of a group of international lawyers and scholars familiar with the challenges posed by the war and its aftermath. The volume also includes book reviews and relevant documentation produced by various organs of the United Nations on the Occupied Palestinian Territory, including the Goldstone Report, legislations and judicial decisions of national courts.
