**Pinsent Masons : The Pinsent Masons Guide to Insurance Distribution: Law and Regulation** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Pinsent Masons Guide to Insurance Distribution: Law and Regulation:

The Pinsent Masons Guide to Insurance Distribution is a practical guide containing authoritative information and advice on the main issues facing insurance companies, their partners and in-house lawyers when creating partnering distribution agreements. The Guide deals with all aspects of the distribution of insurance through third party providers, the responsibilities and liabilities within the context of current law, and good practice. Written by leading experts and fully supported by research findings, it also contains practical examples from partnering companies of varying size and sector.

"This is a practical guide containing authoritative information and advice of the key issues facing insurance companies, their partners and in-house lawyers when creating partnering distribution agreements." Retail and Leisure International "Contains useful information for insurance companies and their partners." EFMA Magazine  
About the Author  
Pinsent Masons is a specialist insurance and reinsurance law firm, with over 1500 staff internationally. It boasts offices in the UK, Shanghai, Hong Kong, Dubai and Brussels, as well as a number of alliances with offices in other parts of the world.
