The issue of Palestine has drawn a lot of attention of the international community and the United Nations for many years. This revised edition of the publication highlights the events and milestones through the end of 2007. This year marks the 20th anniversary of the outbreak of the Palestinian rising against Israeli occupation. The publication describes the history of the Question of Palestine, the role of the United Nations and the search for peace, and illustrates the work of the United Nations towards a permanent settlement.
