From Eli Research : The Reac Inspection Handbook before purchasing it in order to gage whether or not it would be worth my time, and all praised The Reac Inspection Handbook:

REAC has a tendency to conduct approximately 20,000 physical inspections on HUD properties every year, for which you need to be prepared. In addition to avoiding the ghastly mistakes and earn the revenue, you should focus on your resources in order to prepare wisely and cost-effectively. Gain the insights from the industry experts in this book - The REAC Inspection Handbook.
