From Cambridge University Press : The Recovery of Non-Pecuniary Loss in European Contract Law (The Common Core of European Private Law) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Recovery of Non-Pecuniary Loss in European Contract Law (The Common Core of

European Private Law):

This is the first comprehensive work to capture the rise of moral damages (non-pecuniary loss) in European contract law through a historical and comparative analysis. Unique features of this study include the first classification scheme of the systems into liberal, moderate and conservative regimes, a taxonomy of non-pecuniary loss drawn from a European-wide jurisprudence, and a comprehensive bibliography of the subject. Written by a leading academic on comparative law, Palmer's precise and practical insights on Europe's leading cases will be of great interest to academic researchers and practitioners alike.

About the Author Vernon Valentine Palmer is Thomas Pickles Professor of Law at Tulane University and is Co-Director of the Eason-Weinmann Center of Comparative Law.
