Edited by James C. Cooper : The Regulatory Revolution at the FTC: A Thirty-year Perspective on Competition and Consumer Protection (Hardback) - Common before purchasing it in order to gage whether or not it would be worth my time, and all praised The Regulatory Revolution at the FTC: A Thirty-year Perspective on Competition and Consumer Protection (Hardback) - Common:

The Regulatory Revolution at the FTC examines a thirty-year period of transition at the Federal Trade Commission, roughly extending from the early 1980s through the present, during which the FTC evolved from an agency on the brink of extinction to one widely respected for its performance and economic sophistication.
