From Cambridge University Press : The Rehnquist Legacy before purchasing it in order to gage whether or not it would be worth my time, and all praised The Rehnquist Legacy:

During the thirty-three years William Rehnquist has been on the Supreme Court, nineteen as Chief Justice, significant developments have defined the American legal landscape. This book is a legal biography of Chief Justice William

Rehnquist of the United States Supreme Court and the legacy he created. It is an intensive examination of his thirty-three year legacy as a Supreme Court Justice based on his Court opinions, primarily in the area of constitutional law, and written by a group of legal scholars each of whom is a specialist in the area covered by his/her chapter.

"Craig M. Bradley's trenchant collection on the judicial opinions of the late chief justice of the United States offers one of the first and most comprehensive overviews since William Hubbs Rehnquist's sudden death from thyroid cancer in September of 2005. A necessarily ambitious and weighty volume (its subject had the fifth longest term on the court, 1972-2005, and the fourth longest stay as Chief, 1986-2005), its contributors are all noted scholars in their respective areas, with one exception from law schools and political science departments. They assay a variety of perspectives on and approaches to their subjects, and unlike much constitutional commentary in these polemical days, write solely to explicate Rehnquist's contribution to American law. In this effort, this book succeeds admirably" - William James Hull Hoffer, Department of History, Seton Hall University, H-NET

About the Author
Craig Bradley is the James Louis Calamaras Professor of Law at the Indiana University Law School in Bloomington, Indiana. Prior to entering teaching, Prof. Bradley served as an Assistant United States Attorney in Washington, D.C., as a Law Clerk to Justice William Rehnquist of the United States Supreme Court, and as Senior Trial Attorney in the Public Integrity Section of the United States Department of Justice. Since entering teaching Prof. Bradley has specialized in Criminal Procedure, Federal Criminal Law and Comparative Criminal Procedure. His previous publications include *The Failure of the Criminal Procedure Revolution* (U. of Pa. Press, 1993) and *Criminal Procedure: A Worldwide Study* (Carolina Academic Press, 1999). He has published over forty law journal articles in such journals as the *Harvard Law Review*, the *Supreme Court Review* and many others. He writes a bi-monthly column on Supreme Court criminal procedure cases for *Trial Magazine*, the magazine of the American Association of Trial Lawyers.
