**David Carliner, Lucas Guttentag, Arthur C. Helton, Wade J. Henderson : The Rights of Aliens and Refugees, Second Edition: The Basic ACLU Guide to Alien and Refugee Rights (American Civil Liberties Union Handbook)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Rights of Aliens and Refugees, Second Edition: The Basic ACLU Guide to Alien and Refugee Rights (American Civil Liberties Union Handbook):

0 of 0 people found the following review helpful. Five Stars By yuneqca Very useful albeit older text to obtain a better understanding of the immigration process.

Virtually all the protections written into the Constitution are stated in universal terms applicable to all persons, aliens as well as citizens. The disparate treatment given to aliens has come largely from legislative acts of the state and federal governments during periods of hostility toward immigrants of differing racial and ethnic origin and against persons regarded as disloyal in times of war and ferment. Using a question-and-answer format, this book attempts to define the rights of aliens in the United States under existing laws. It will help aliens and those who assist them to

know, to understand, to exercise those rights, and to extend their opportunities to function as full members of the American community.
