**Jefferson Davis : The rise and fall of the Confederate government Volume 1** before purchasing it in order to gage whether or not it would be worth my time, and all praised The rise and fall of the Confederate government Volume 1:

4 of 5 people found the following review helpful. a necessary source for the study of 19th cebtury americaBy Barrie W. BrackenIgnore for the time being the fact that this is only the first volume of this work. Search for Vol. II will probably bring one to light certainly at a much higher price. Vol I is the most interesting of the two and offers great insight into the post war mind of Davis. If we want to understand the mind of this period we need to read this book along with the Buchanan expose of his presidency, Butler's Book by B. F. Butler who nominated Davis as Democratic presidential nominee, the Diary of Edmund Ruffin vol I, and many more, npne of which are neutral or even accurate in many ways but if we don't look at the reflections of the participants we are condemned to seeing history only through

the eyes of later writers. Forget that McPherson introduces this book and that it is only volume one. It is a necessary and even fairly interesting read. 0 of 0 people found the following review helpful. Five Stars By Jeffery W Lofton Great book 1 of 1 people found the following review helpful. A Rare and Advantaged Retrospective By frank wynerth summers iii Confederate President Jefferson Davis had remarkable leisure, access and opportunity to work on this extraordinary work at Beauvoir and elsewhere. In this book are collected memories, quotes and documents essential to understanding the period and it's crisis. One need not endorse all of his philosophical and political positions and principles to value the book and the insights it can provide.

The rise and fall of the Confederate government. This book, "The rise and fall of the Confederate government Volume 1", by Jefferson Davis, is a replication of a book originally published before 1881. It has been restored by human beings, page by page, so that you may enjoy it in a form as close to the original as possible.
