Richard A. Cosgrove : The Rule of Law: Albert Venn Dicey, Victorian Jurist (Studies in Legal History) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Rule of Law: Albert Venn Dicey, Victorian Jurist (Studies in Legal History):

So commonplace has the term rule of law become that few recognize its source as Dicey's Introduction to the Study of the Law of the Constitution. Cosgrove examines the life and career of Dicey, the most influential constitutional

authority of late Victorian and Edwardian Britain, showing how his critical and intellectual powers were accompanied by a simplicity of character and wit. Dicey's contribution to the history of law is described as is his place in Victorian society. Originally published 1980. A UNC Press Enduring Edition -- UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print. These editions are published unaltered from the original, and are presented in affordable paperback formats, bringing readers both historical and cultural value.
