**From Brand: Kent State Univ Pr : The Salmon P. Chase Papers, Volume 1: Journals, 1829-1872** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Salmon P. Chase Papers, Volume 1: Journals, 1829-1872:

0 of 0 people found the following review helpful. "An Intimate View of 19th Century America"By Barrie W. BrackenThis marvelous book offers the reqader and the researcher a window into the life of one of our most important political characters in a troubled century. Some historians have offered the thought that we live in a different world

from that in which Chase lived. The Journals give us a more personal view than the works in general of a man who served in Ohio and national politics, as an abolitionist leader, as sec'y of the Treasury in Lincoln's cabinet, and as Chief Justice of the U. S. Supreme Court.

As a single volume this work is overwhelmingly impressive. Its meticulous scholarship and its intellectual breadth are stunning. Chases importance, his quotability, his human social outlook, his many perceptive comments, and all the editors notes make this work a highly desirable volume for 19th-century historians. Of all the publications of presidents and politicians papers, volume I of the Chase Papers is in a class by itself and is the most useful first volume of any similar collection. The North Carolina Historical Review
