From Brand: American Bar Association : The Securities Enforcement Manual: Tactics and Strategies before purchasing it in order to gage whether or not it would be worth my time, and all praised The Securities Enforcement Manual: Tactics and Strategies:

0 of 0 people found the following review helpful. Comprehensive TextBy Mark AstaritaA comprehensive analysis of issues facing securities law attorneys on a daily basis

This new Second Edition completely updates the first edition published in 1997. Included is comprehensive coverage to proven approaches and techniques for dealing with an enforcement threat from the SEC, self regulatory

organizations, or state securities regulators. It takes you step-by-step through enforcement investigations and proceedings, providing you with strategies to influence the outcome of an investigation and prevent or minimize the adverse effects of enforcement actions.
