**Robert A. Fippinger : The Securities Law Public Finance (2 Volume Set)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Securities Law Public Finance (2 Volume Set):

Recent major federal and state investigations into possible illegal bids for municipal bonds have triggered more outcries for tighter regulation of public financing. PLIs The Securities Law of Public Finance is the authoritative resource you ll want to consult for the new rules to come as well as the current standards now in place. Written by one of the most respected figures in the field, the award-winning author and practitioner Robert A. Fippinger, this classic guide covers every vital area for you, from finance structuring to securities distribution to closings. Cited by the SEC for its excellence in illuminating legal issues, The Securities Law of Public Finance clarifies and analyzes the law to give you the smart, steady guidance you need to comply more confidently with registration, disclosure, due diligence,

fiduciary, and contractual requirements and avoid costly legal actions. Included are numerous sample forms, flow charts, and summary charts that help speed compliance with the rules. Updated at least once a year, *The Securities Law of Public Finance* is the trusted reference that attorneys, issuers, underwriters, and investment advisers will want to consult regularly.
