Do you owe more on your mortgage than your home is worth? Are you struggling with an underwater mortgage? Do you wish you could just walk away? YOU CAN! In THE STRATEGIC DEFAULT PLAN, nationally renowned attorney Christopher Forrest guides you through his step-by-step strategic default plan, and teaches you the secrets and inside information you need to know to walk away from your mortgage. THE STRATEGIC DEFAULT PLAN is a 'must-read' guide for anyone stuck in an underwater mortgage. Attorney Christopher Forrest has advised and

represented thousands of property owners in strategic defaults and foreclosure defense. His law practice and legal techniques have garnered national media attention and The Forrest Law Firm has been featured in over 84 newspaper articles, television reports, the Associated Press, Bloomberg News, AOL News, and The Huffington Post. Once considered taboo, choosing to walk away from a mortgage in a strategic default has become increasingly more common and acceptable, particularly as American consumers become aware that banks are not taking adequate steps to help property owners keep their homes. Anyone who has attempted to apply for a mortgage modification or conduct a short sale knows how difficult it is to deal with most banks. More Americans are becoming angry that these banks have taken billions of dollars in taxpayer bailouts, and then have used that money to forcibly remove hundreds of thousands of Americans from their homes. Many families have come to the realization that there will be no bailouts for the American homeowner struggling to make mortgage payments. No one is coming to save them. They feel abandoned by their banks and by their government. If you feel this way, you are not alone. And you are right. Attorney Christopher Forrest has spent years defending American homeowners in a war being waged against them by banks and financial institutions. The courtrooms of America have become the battleground in this war. The American homeowner is losing. But you have the means to fight back. You have the ability to unshackle yourself and walk away. To survive in these new times, in this new normal, you must come to the realization that since no one is coming to help you, you must help yourself. You must take stock of your financial situation and your future. You must put yourself and your family first. You must decide what is in your best interest, and then let nothing stand in your way. THE STRATEGIC DEFAULT PLAN can help you take control of your financial future. Don't wait. Buy your copy of THE STRATEGIC DEFAULT PLAN today!
