Charles Evans Hughes : The Supreme Court of the United States: its foundation, methods, and achievements;: An interpretation (A Columbia paperback) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Supreme Court of the United States: its foundation, methods, and achievements;: An interpretation (A Columbia paperback):

A unique view of the inner workings of the Supreme Court by one of its illustrious Justices.

From the Publisher This captivating book originally published in 1928 comprises a series of six lectures given by Justice Charles Evans Hughes at Columbia University. He has endeavored in a capsulized form to interpret the work of the court-its origins, methods, the general principles that govern it, and the way in which the Justices approach and perform their tasks. In depicting the highest levels of judicial work, Justice Hughes shares with us the points of view of our most illustrious jurists, albeit by brief excerpts. The overarching aim of this compact book is to help ordinary people better understand an institution that, despite its constant and unique service, is still a mystery to most. About the Author Charles Evans Hughes, 1862-1948, was educated at Madison (now Colgate) and Brown universities and at

Columbia University Law School. He practiced law in New York City, and also taught at Columbia, Cornell, and New York law schools. He was elected governor of New York in 1906 and re-elected for a second term in 1908. He served as an Associate Justice of the Supreme Court of the United States, 1910-1916. He was the Republican candidate for President in 1916. He was the Secretary of State, 1921-1925. Mr. Hughes was sworn in as Chief Justice of the Supreme Court on February 24, 1930, and he retired in 1941.
