Perry : The Supremes: An Introduction to the U.S. Supreme Court Justices (Teaching Texts in Law and Politics) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Supremes: An Introduction to the U.S. Supreme Court Justices (Teaching Texts in Law and Politics):

This second edition of *The Supremes* introduces readers to the Supreme Courts newest members, Chief Justice John Roberts and Justice Samuel Alito, with vivid biographical sketches and riveting accounts of how they successfully navigated the politics inherent in judicial appointments. Compelling portraits of all nine justices are completely updated, with clear explanations of their votes and opinions in landmark cases involving free speech, religion, capital punishment, gun control, affirmative action, privacy, abortion, and terrorism. Never has the Supreme Courts story been so lively or so relevant!
