From T.M.C. Asser Press : **The United Nations and the European Union: An Ever Stronger Partnership** before purchasing it in order to gage whether or not it would be worth my time, and all praised The United Nations and the European Union: An Ever Stronger Partnership:

The United Nations and the European Union: an ever stronger partnership provides a comprehensive overview of EU-UN cooperation, identifying the role of the various actors involved in the decision-making process and its influence in areas stretching from environmental protection to human rights, crisis management, public health and the protection of refugees. By collecting contributions of renowned EU and UN experts, diplomats and scholars, the book will be of interest to a wide range of readers, including academics, students, policy makers as well as civil society actors.

About the Author Professor of International Law and International Organizations at the University of Leuven. Member of the European Commission's Legal Service in Brussels. Research Fellow of the Fund for Scientific Research Flanders, Institute for International Law, University of Leuven.
