From The University of Missouri-Kansas City School of Law : The Urban Lawyer: The National Journal on State and Local Government Law (Volume 39, Number 2) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Urban Lawyer: The National Journal on State and Local Government Law (Volume 39, Number 2):

Contents Include: Seattle's Central District 1990-2006 Integration or Displacement by Henry McGee; Overlooked Linkages Between Municipal Incorporation and Annexation Laws and In Depth Look and Wisonsins Experience by Robert Zimmerman; Average Receptivity of Advantage Lessons from Pallazzolo; The Role of Initial Statewide Smart Growth Legislation in Advancing the Tenets of Smart Growth; The Case of New Haven's Planned Development District; etc
