Bruce Hoffman, Anna-Britt Kasupski : The Victims of Terrorism: An Assessment of Their Influence and Growing Role in Policy, Legislation, and the Private Sector (Occasional Papers) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Victims of Terrorism: An Assessment of Their Influence and Growing Role in Policy, Legislation, and the Private Sector (Occasional Papers):

Organized groups of victims' families and friends have emerged since September 11, 2001, to become a powerful

voice in U.S. counterterrorist policy and legislation. These groups were remarkably successful in getting the 9/11 Commission established and in getting the commission's most important recommendations enacted. This report documents these groups and compares them to groups formed in response to other terrorist attacks.

From the Inside Flap This report documents 9/11 victims' groups--a powerful force in U.S. counterterrorist policy and legislation--and compares them to groups formed in response to other terrorist attacks. About the Author Bruce Hoffman has been studying terrorism and counterterrorism for more than three decades and has been an adviser to the U.S. and other governments and businesses.
