Arnold Jacobs : The Williams Act-Tender Offers and Stock Accumulations, 2012 ed. (Securities Law Handbook Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Williams Act-Tender Offers and Stock Accumulations, 2012 ed. (Securities Law Handbook Series):

This practical guide tells you how to make filings of a Schedule 13D or Schedule 13G. It includes a step-by-step list of what a tender offeror and a target company should do in a tender offer. There are three lists of the steps; a friendly tender offer, a hostile tender offer, and a hostile tender offer that becomes friendly. Corporate lawyers, securities lawyers, investors that take greater than 5% positions in public companies, companies that are subject to a Schedule

13D or Schedule 13G filing, target companies in a tender offer, and law schools will find this work helpful.
