Ronald S. Cope : The Zoning and Land Use Handbook before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Zoning and Land Use Handbook:

This book will help the busy general practitioner answer the most frequently asked questions and provide guidance on basic zoning procedures, property rights, and the nature of zoning litigation. In addition, this handbook provides an introduction to zoning law for land use practitioners, and will be helpful to laypersons and professionals not familiar

with land use or zoning law.
